Members of the Selection Committee
ReMax Community Care Award

We are pleased to write this letter in support of C.R. (Dick) Brown's nomination for the ReMax Community Care Award for Western Canada. Dick has been a long-standing supporter of Calgary Meals on Wheels. He never misses an opportunity to advocate for our Agency. He is tireless in promoting the essential work we do in Calgary, and he is generous with his time and with his financial assistance.

A Director of the Board since 2002, Dick is currently co-chair of the Communications & Development Committee. For the past 7 years, he has consistently championed our fundraising efforts. Dick always sells the most tickets and gets the most auction items donated to our events. His enthusiasm and optimistic attitude are contagious, and his can-do approach inspires others to strive for better results.

Calgary Meals on Wheels is currently in the midst of a \$22 million Capital Campaign to raise funds to renovate and equip our new facility. Dick is actively engaged in securing funding from the corporate sector to ensure that the Campaign is successful.

Dick always acknowledges the efforts and support of friends and associates at events such as his annual Christmas Party. He truly personifies the spirit of community involvement by his dedication to Calgary Meals on Wheels and the many other organizations he actively champions.

Dick Brown is truly deserving of the Community Care Award. On behalf of everyone at Calgary Meals on Wheels, we wholeheartedly endorse his nomination.

Sincerely,
